

**FULLERTON SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

HILDA SUGARMAN

OCCUPATION: Incumbent

I remain humbled to have served this community as a member of the School Board for the past eight years. I am proud of our students' achievements, and am eager to continue improving our schools' facilities, technology, and tutelage to enable our children to achieve their full potential. During my tenure, our children's scores have improved over 30% in reading, writing, and math. Additionally, almost half of our schools have earned the distinction of California's best.

Fullerton's schools have marked these achievements during unprecedented state fiscal strain. By focusing on the basics and maintaining a disciplined budget, our district remains financially strong. As California's credit rating tumbled, ours soared to AAA - strengthening our commitment to our children's future.

I will continue to dedicate my energy and resources to working with our state legislature to fully fund our district, our educators to ensure they have the tools necessary to teach our children, and our staff to ensure that our facilities remain a point of pride throughout the community. Please visit our schools to see why I am so proud of our staff and optimistic about the future of our district.

I request your vote so I may continue to serve you.
